
REFLECTIVE PRACTICE GROUP FOR LAY CHURCH LEADERS

Those in authorized ministry need self-care and the opportunity to reflect with others, which is recommended good practice for all senior leaders.

There is now a local opportunity to belong to a small group which will be meeting in the Tunbridge Wells area from March 2018.

It will meet every six weeks to allow members to reflect on their work and ministry in a safe confidential setting.

For more information on reflective practice in ministry settings visit www.pastoralsupervision.org.uk

The philosophy of the group will be based on APSE guidelines.

To enquire further and to ask to be considered for membership please contact Dilys Threshie: dilys84@gmail.com

You will need to have verified authorization from your Senior Minister / Line Manager and there is a suggested donation of £20 per session.
